

## YEAR 9 CAREER TASTER PROGRAM Event and Experience Details Form

The **Year 9 Career Taster Program (CTP)**  provides industry bodies, employers and training providers an opportunity to showcase their industry to engage young people and highlight the current and future occupations and career pathways on offer.

By providing taster opportunities you help students learn about your industry areas and jobs and get “a taste” of what they could be working towards for a future career.

In addition to feeling great about contributing to a young person’s future, being part of the CTP will also enable you to build networks with your local schools, TAFEs and training providers and be part of a program that could shape the next generation of workers in your industry.

We would like to hear of the type of events/experiences you are able to provide. You can record two experiences using this form. If you have more experiences to offer, please indicate this at Question 2 under ‘Advertising your event/experience’.

Please use this form to register the details of your event. (\*Required fields)

### Organisation Details

Business Name

ABN/ACN

Trading Name\*

Business Address\*

Contact Person\*

Job Title\*

Phone\*

Email\*

Website/Social Media
